

Recruitment – Educational Instructors for Playzeum Yuba-Sutter

## **The Organization**

Our mission at Playzeum Yuba - Sutter is to provide our local community with programs, services, and hands-on play exhibits where all children, families and community members of diverse backgrounds and abilities can explore, discover, create, and learn together.

## **Major Responsibilities**

This contractor supports education development and implementation of educational programs and services throughout the Playzeum, including but not limited to homeschool programming, drop off camps and classes, special events, and offsite events promoting the Playzeum's mission.

## **Roles and Tasks-**

- Design classes, workshops, and programming to enhance the educational programming at Playzeum.
- Regularly facilitate home school programs (such as classes on science, visual and performing arts, nutrition, motor development, engineering, gardening, and other themed programming) of all types at Playzeum as a lead instructor.
- Track attendance and complete reporting on programming.
- Provide child development and community resources to families.

## **Education and Background:**

- An Associate Degree in Early Childhood Education, Elementary Education, or related field preferred.
- One year of related experience providing programs for children ages 0-12 years required.
- Deep understanding of early childhood development, pedagogy, and developmentally appropriate practice required.
- Excellent oral, written, and interpersonal skills.
- Ability to take initiative, work independently, and troubleshoot in a fast-paced work environment.
- Strong organizational and time management skills.
- Excellent customer service skills.
- Clean and valid CA Driver's License and proof of automobile insurance.
